KEEP-I CRP APPLICATION FORM

Form available at
http://ee.kaist.ac.kr/node/17991

Please write down five professors you wish to collaborate with in the <u>order of preference</u>.

We strongly recommend you to get in touch with the partner professors before submitting the form to increase the chance of matching.

REQUIREMENTS FOR KAIST ADMISSION

■ **Regular KAIST Application Package**

- Application form

- Statement of financial resources

- Two recommendation letters (electronical submission) ◆——— **For CRP students, one is from CRP professor**

- Certified copy of degree/diploma and transcripts

- Certified copy of English Proficiency Test (EPT)

    ■ **TOEFL iBT 83 (PBT 560, CBT 220), IELTS 6.5, TEPS 599, TOEIC 720 or higher**

    ■ The English requirement is waived for students from the institutions where courses are taught in English. Check on KAIST webpage for detail.

- Curriculum Vitae (free style)

- Copy of identity documents

- Family relation certificate (for ethnically Koreans only)

- Optional documents ◆——— **For CRP students, submit KEEP-I CRP Application Form as optional document**

    ■ List of honors and awards

    ■ Employment certificate

LETTER OF RECOMMENDATION

- **KAIST admission requires <u>two letters of recommendation </u>to be submitted <u>electronically</u>.**

- **CRP partners should submit <u>one of these 2 recommendation letters.</u>**

- **Description on recommendation letters on KAIST admission site**

    - Reference: https://apply.kaist.ac.kr/intergradapply

    - KAIST receives recommendation letters electronically. Once you complete the application by paying the application fee, each recommender will receive an automated email instructing how to proceed with their recommendation online. Please complete your application as early as possible so that your recommenders can have enough time to complete the letter.
